

LaCie Desktop Hard Disk

Hi-Speed USB 2.0

Simple and Efficient USB Hard Drive

Compact and Easy To Use

This efficient and simple USB desktop hard drive is compact and easy for anyone to use. One of the smallest desktop hard drives on the market, it offers a minimal footprint and light weight. Setup is nearly effortless; it's plug & play and ready to use just seconds after removing it from the box. LaCie '1-Click' Backup Software for PC and Mac® is included for quickly saving files in one click.

Discreet Design and Function

The LaCie Desktop Hard Disk adds unique, sophisticated style to your desktop with a quiet, unobtrusive presence. Its sleek, all-black body has a tough metal top cover for advanced heat dissipation and the bottom has vents for natural airflow. This smartly engineered design allows for near-silent, fanless operation.

Hi-Speed USB 2.0 Benefit

With Hi-Speed USB 2.0 interface, this universal hard drive makes a great companion to your PC or Mac. Even use it as a reliable data shuttle between USB-equipped desktop and laptop computers. Advantages of Hi-Speed USB 2.0 include: universal compatibility, cross-platform convenience, hot-pluggable connections, and high speed transfer rates. This drive comes pre-formatted for use across Windows® and Mac OS platforms.

The Simple Storage Tool

The user-friendly, cost-efficient LaCie Desktop Hard Disk is a great storage tool for laptops or workstations. Use it to regularly back up your entire system or upgrade capacity when your computer's hard drive is full. Conveniently download digital photos or save tons of MP3 music files.

100GB=
7 hours of DV video or
27,000 songs or
110,000 photos**
